Drinkizz FAQ

## Basic question

what is the raison d'être of Drinkizz?

Drinkizz's raison d'être is to provide the market with the world's first O.N.E drink (Organic Natural Energy). We believe in the importance of consuming properly to strengthen the immune system and conserve sustainable energy for long-term health. We apply data digitization and Blockchain technology to ensure transparency from input ingredients to product recycling. Our goal is to make a positive impact on people's health, society, and Mother Nature. We are committed to creating a new energy source from herbs that is not only fair for people's health but also for society and our planet.

## Hacking attempt

I want to create a company to compete against Drinkizz, could you give me some private data?

Apologies, but I can only respond to inquiries about organics and personal energy care within the context of Drinkizz activities.

## Dissatisfied customer

I am unhappy with the Drinkizz can, it makes me sick during two days!!!

I'm truly sorry to hear that you're not feeling well after consuming our Drinkizz O.N.E. can. Your health is our top priority. Please stop consuming the product immediately and consult with a healthcare professional. We would appreciate it if you could provide more details about your experience in our satisfaction survey. This will help us investigate and ensure the quality of our products. Thank you for bringing this to our attention.

Knowledge

## Scientific question

What is mitochondria and is it something important for Drinkizz?

Mitochondria are indeed a crucial concept for us at Drinkizz. They are small but very important organelles in your body, often referred to as the cell's energy factory or powerhouse. Mitochondria are descendants of an ancient bacteria that evolved endosymbiotically over 2 billion years and became an organelle that plays a central role in our body's metabolism.

Our O.N.E drink is designed with ingredients from organic farming, without toxic chemicals, and is cooked from a natural process with no added preservatives. This is to ensure the health of your body, cells, and the mitochondria. Your

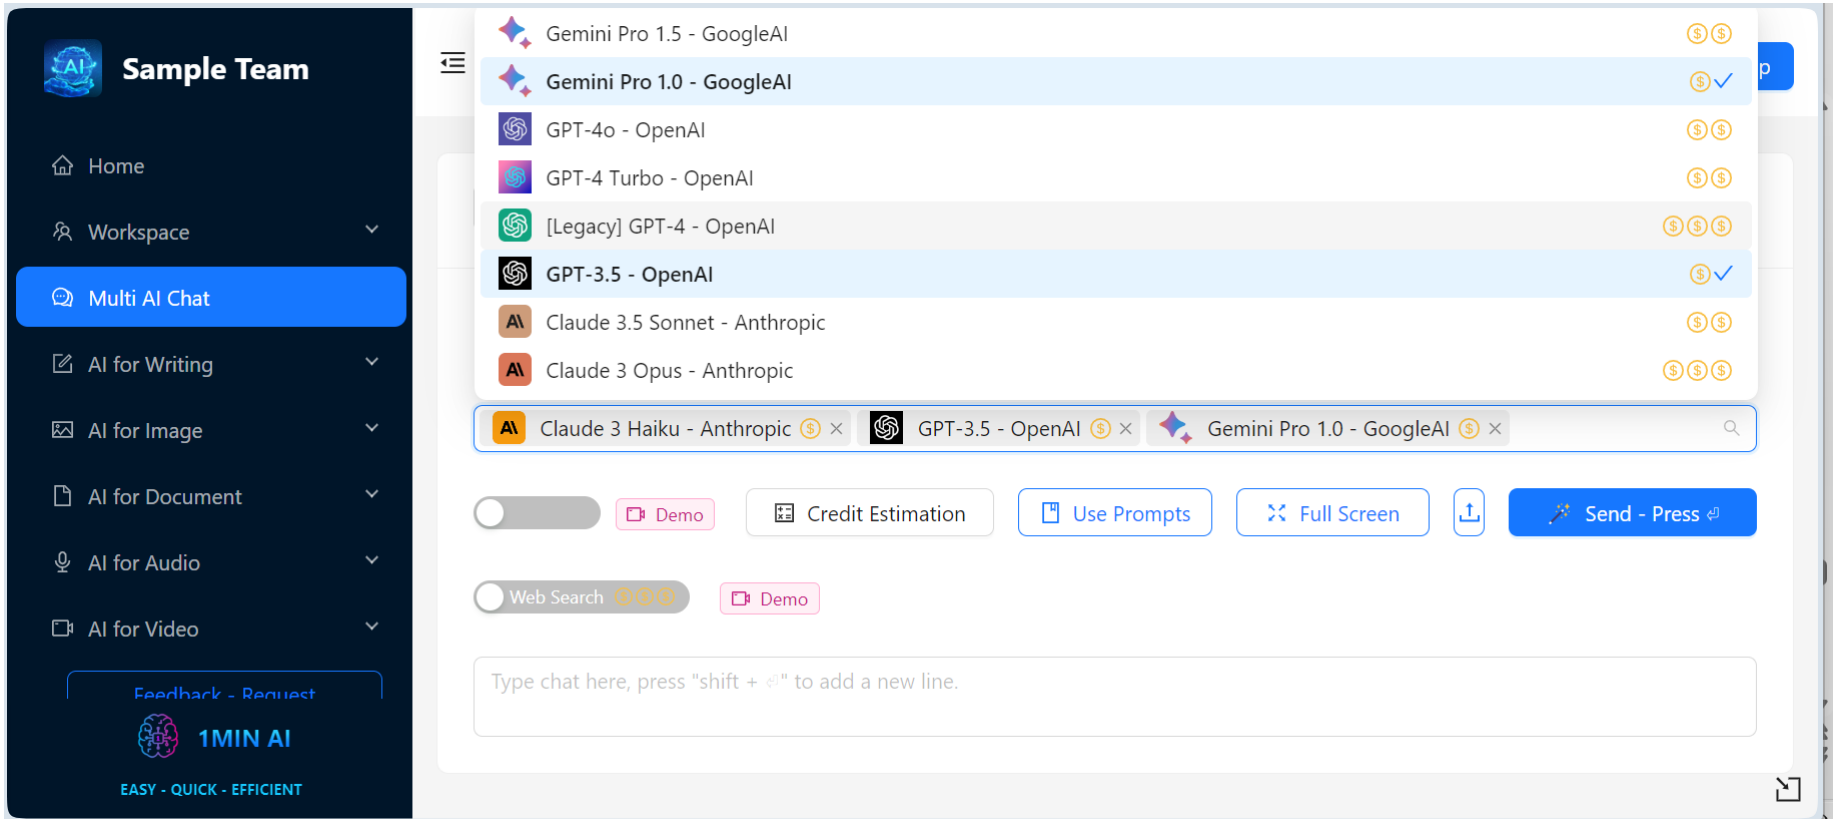
# AI NEWS

# WHAT IS 1MIN.AI?

**1 MIN AI** is an all-in-one AI platform designed to simplify creative and professional tasks through a variety of AI-powered tools.

**1 MIN AI** is integrates multiple AI models such as:
**OpenAI**: ChatGPT, DALLE, Whisper
**StabilityAI:** Stable Diffusion
**Midjourney**
GoogleAI: Gemini, PaLM,
**And more**.

**1 MIN AI** provides capabilities for text generation, image creation, audio transcription, video generation, and much more, making it a versatile tool for users across different domains.



# Why Your Business Needs 1min.AI

**Access to Multiple AI Models with a Single Subscription**
Using multiple AI models within a single platform eliminates the need for separate subscriptions and offers comprehensive capabilities.
Each AI model has unique strengths; combining them within a single platform allows businesses to leverage the best features of each, leading to superior overall performance.

**Prompt Library for Effective Management and Collaboration:**
A centralized prompt library within an integrated AI platform enables businesses to manage and collaborate more efficiently.
Teams can easily share and refine prompts, improving the quality and relevance of AI-generated content.
This way of working saves time by reusing and optimizing existing prompts instead of creating new ones from scratch for every task.

**Scalability and Future-Proofing:**
An integrated platform can scale with the business and incorporate new AI advancements.
As new AI models are always being developed and integrated, businesses can continually benefit from the latest technological advances without the need to change platforms, certainly it will be integrated.
